**Letter from the Central Committee of the Canadian Socialist Rifle Association**

Greetings Comrades,

This year has been an exciting year for our organization. We would like to thank our team of volunteers who have been working tirelessly to accomplish some of the goals that we have previously set out, and we take great pride in reporting our continuing growth.

During this term we have successfully acquired a bank account and we began taking donations. A complete overview of the organizations financial year (November 4th to November 4th) is attached here. We also saw the formation of our official website (CanadianSRA.com) thanks to some generous domain donations and efforts from our web-committee. Another thing we saw was the organization of an Ontario based camping trip, as well as a British Columbia based range day.

We have begun discussing our goals for the next year and here are some of the things we would like to accomplish. We will be continuing to upgrade the website to include things such as organizational news, provincial contact information, and merchandise. We plan to organize further meet-ups and we hope to see new areas of the country meeting under the CSRA banner. Another big goal for this year is to establish memberships where supporters can become members by donating at a yearly cost. In the coming months we also plan on organizing some mutual aid networks who can coordinate grass roots actions in their communities.

Again we would like to thank all of our community members for supporting us and helping us grow our collective vision. We wish to show appreciation for the work of our current Central Committee members as well as former members. As an organization we continue to acknowledge the Indigenous territories where we operate, and the nations who have always called this land their home.

Solidarity,

From the Central Committee of the Canadian Socialist Rifle Association
